PHOTOGRAPHY AND VIDEO POLICY

This policy is to ensure photography and video footage taken within Radlett Cricket Club is done so appropriately.

The Club believes parents, guardians and carers should not be prevented from taking pictures of, or filming, their children. These are normal family practices and help mark milestones in a child's life. The introduction of proportionate controls on the use of photographic equipment (cameras, and videos, including mobile phones) is part of our general safeguarding good practice in the Club.

For the avoidance of doubt, this policy also applies to live broadcasts on social media or other platforms.
